

# SPEAKERS BUREAU

If you are looking for expert sources to speak on business and financial related topics, our professionals have extensive experience in a variety of areas and industries and are available for interviews and speaking engagements.

Some of our professionals have recently spoken on topics such as: the Ohio tax reform and how it affects specific industries; accounting for the construction industry; detecting deception and protecting your business; accounting and auditing updates for not-for-profit organizations; and improving operating efficiency in school districts and municipalities.

Some of our areas of expertise include:

- Auditing Standards and Guidelines
- Business Valuations and Litigation Support
- Compensation and Incentive Programs
- Employee Benefit Plans
- Family Business Operational Succession
- Financial Planning
- Financing Assistance / Preparation of Business Plans
- Forensic Accounting / Fraud
- Improving Operating Efficiency in School Districts and Municipalities
- Mergers and Acquisitions
- Organizational Structure, Culture, Communications
- Retirement Planning
- Small Business (accounting systems, internal controls, payroll, bookkeeping, etc.)
- Strategic and Growth Planning
- Tax Compliance and Consulting

We also have experience in a variety of industries and would be happy to talk about financial and business issues that specifically affect your industry. Some of our areas of expertise include:

- Biotech
- Construction
